

Welcome to Boogie Woogie Cafe & Gift Shop, and don't forget Upstairs at Boogie Woogie, we have a range of gifts suitable for all, along with The Blue Violet Boutique.

On behalf of Annie, Ryan and everyone at Boogie, we hope you enjoy your visit. If there's anything we can do, please don't hesitate to ask.

We use local produce wherever possible. We use free range eggs from very happy chickens close by and our beef, ham, & sausages are all locally sourced.

Local suppliers include...

- Spey Fruit Elgin
- AJ Jamieson Butcher, Fochabers

Our ham is home roasted here at Boogie Woogie. We use a blend of seasonings during the roast, please ask staff for any information required for allergies.

To keep waste to a minimum, please let us know in advance if there's anything served with your food you'd rather not have, and we'll leave it out :)

We also have a daily specials menu, served from 12 - 2.45pm

Please ask any of our team for advice on items made without nuts, gluten, or dairy ingredients. Our milk is semi skimmed and we also have milk alternatives.
